## About This Game

Whatever you mine - coal or diamonds - it all starts with opencast digging. And it's much more difficult as it would seem at first glance! Will you be able to complete this task?

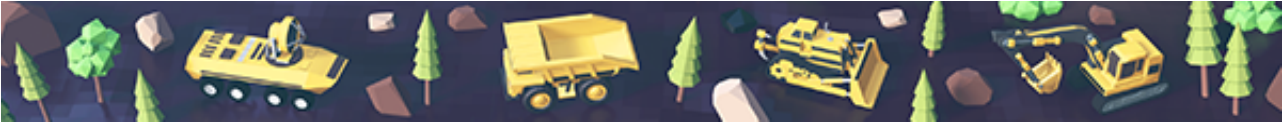

Place your personnel, buy new equipment and monitor the progress of work to level up your facility and be successful in mining.

### **Game features:**

- More than 10 various opencasts;
- About 20 types of mining equipment;

- 
- Minimalistic low-poly design;
  - Several levels with increasing difficulty.
